Species Conservation Planning Support Directory

First Name	Last Name	Email	Specialist Group	Expertise
Pablo	Borboroglu	globalpenguinsociety@gmail.com	Penguin Specialist Group	Workshop Design/Facilitation; Species' Status Review; Analyzing and Prioritizing Threats
Andre	Botha	andreb@ewt.org.za	Vulture Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation; Species' Status Review; Analyzing and Prioritizing Threats
Onnie	Byers	onnie@cpsg.org	Conservation Planning Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation
Luis Santiago	Cano	catuche.gallego@gmail.com	Stork, Ibis, and Spoonbill Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation; Species' Status Review; Analyzing and Prioritizing Threats; Reintroduction/Translocation; Quantitative Risk Assessment; Climate Change; Disease Risk Analysis
Pedro	Cardoso	pcardoso@ennor.org	Spider and Scorpion Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation; Species' Status Review; Ex Situ/Captive Breeding; Climate Change
Erica	Cochrane	ecochrane@savingcranes.org	Crane Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation; Analyzing and Prioritizing Threats; Other: Open Standards, Miradi and Miradi Share
Jamie	Copsey	Jamie@cpsg.org	Conservation Planning Specialist Group	General Conservation Strategic Planning; Analyzing and Prioritizing Threats; Other: Conservation Project Management and Leadership

Nicole	Duplaix	nicole.duplaix@oregonstate.edu	Otter Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation; Species' Status Review; Analyzing and Prioritizing Threats; Reintroduction/Translocation; Ex Situ/Captive Breeding
Benito	González	bengonza@uchile.cl	South American Camelid Specialist Group	General Conservation Strategic Planning
Susana	González	sugonza9@yahoo.com	Deer Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation; Species' Status Review; Analyzing and Prioritizing Threats; Quantitative Risk Assessment
Baz	Hughes	baz.hughes@wwt.org.uk	Threatened Waterfowl	General Conservation Strategic Planning; Workshop Design/Facilitation; Species' Status Review; Analyzing and Prioritizing Threats; Reintroduction/Translocation; Ex Situ/Captive Breeding; Disease Risk Analysis
Christopher	Jenkins	cljenkins@oriannesociety.org	Viper Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation; Species' Status Review; Analyzing and Prioritizing Threats; Reintroduction/Translocation; Ex Situ/Captive Breeding; Quantitative Risk Assessment
Vicky	Kindemba	v_l_wilkins@hotmail.com	Mid Atlantic Island Invertebrate Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation
Tetiana	Kryvomaz	tankr@i.ua	Chytrid, Zygomycete,	General Conservation Strategic Planning; Workshop Design/Facilitation;

			Downy Mildew and Slime Mould Specialist Group	Analyzing and Prioritizing Threats; Reintroduction/Translocation; Quantitative Risk Assessment; Climate Change
Richard	Lansdown	rlansdown@ardeola.demon.co.uk	Freshwater Plant Specialist Group	Species' Status Review; Analyzing and Prioritizing Threats; Reintroduction/Translocation
Caroline	Lees	Caroline@cpsg.org	Conservation Planning Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation; Species' Status Review; Analyzing and Prioritizing Threats; Quantitative Risk Assessment
David	Mallon	d.mallon@zoo.co.uk	Antelope Specialist Group	General Conservation Strategic Planning; Species' Status Review; Quantitative Risk Assessment
Gustavo	Martinelli	gmartine@cncflora.net	Brazilian Plant Red List Authority	General Conservation Strategic Planning; Species' Status Review; Analyzing and Prioritizing Threats; Reintroduction/Translocation; Quantitative Risk Assessment; Climate Change
Nigel	Maxted	nigel.maxted@dial.pipex.com	Crop Wild Relative Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation; Species' Status Review
Claire	Mirande	mirande@savingcranes.org	Crane Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation; Species' Status Review; Analyzing and Prioritizing Threats; Reintroduction/Translocation; Ex Situ/Captive Breeding; Quantitative Risk Assessment Other: Open Standards for the Practice of Conservation/Miradi software

Kerryn	Morrison	kerrynm@ewt.org.za	Crane Specialist Group and Conservation Planning Specialist Group	General Conservation Strategic Planning; Workshop Design/Facilitation; Analyzing and Prioritizing Threats
Bibhab	Talukdar	asianrhinos@gmail.com	Asian Rhino Specialist Group	Workshop Design/Facilitation; Reintroduction/Translocation
Kathy	Traylor-Holzer	Kathy@cpsg.org	Conservation Planning Specialist Group	Workshop Design/Facilitation; Analyzing and Prioritizing Threats; Ex Situ/Captive Breeding; Quantitative Risk Assessment Other: IUCN *Ex Situ* Guidelines
Alan	Tye	alantye@gmail.com	Galapagos Plant Specialist Group	General Conservation Strategic Planning; Species' Status Review
