Friday, 19 October (09.00-18.00) *Ballroom A, Anantara Riverside Hotel*

09.00 – 9.45 **Opening Plenary Session**

Welcome Address: ZPO representative and Onnie Byers, Chair CPSG
Participant Introductions

09.45 – 10:30 Keynote Address: ***Opportunities for Southeast Asian Conservation in the Anthropocene***
(Dr. Erik Meijaard, Founder, Borneo Futures; Chair, IUCN Oil Palm Task Force; and Chair, IUCN SSC Wild Pig Specialist Group)

10.30 – 11.00 *Coffee Break*

11.00 – 11:30 CPSG in Southeast Asia: A retrospective (Kathy Traylor-Holzer)

11.30 – 13:00 **Plenary Session** (Roopali Raghavan, Conservation, Research and Professional Training, Wildlife Reserves Singapore)

Presentations

- Towards Zero Extinction in Southeast Asia - Introducing the CPSG Southeast Asia Regional Resource Center (Sonja Luz, Director Conservation, Research and Veterinary Services, Wildlife Reserves Singapore)
- Enhancing the Impact of the Asian Species Action Partnership (Nerissa Chao, ASAP! Secretariat Manager)
- The Asian Songbird Crisis and the EAZA Silent Forest Campaign (Danny de Man, Deputy Executive Director & Director Conservation and Population Management, EAZA)

Introduction to Meeting Format, Working Group Instructions, and Introduction to Additional Working Group Topics

- Assessing to Plan (A2P): Using the Red List to its best advantage (Claudine Gibson)
- Planning to Act (P2A) on ASAP species: How do we best support those charged with getting things done? (Jamie Copsey, Caroline Lees, Nerissa Chao, Vicki Guthrie)

13.00 – 14.00 *Lunch (The Market)*

14.0 – 17.00 **Working Group Session 1** (Ballrooms A, B, & C)

- Assessing to Plan (A2P): Using the Red List to its best advantage (Claudine Gibson)
- Planning to Act (P2A) on ASAP species: How do we best support those charged with getting things done? (Jamie Copsey, Caroline Lees, Nerissa Chao, and Vicki Guthrie)
 - Group 1: Plan Implementation Coordinators role and support needs
 - Group 2: Species Champions role and support needs

15.00 – 15.30 *Coffee Break available*

17.00 – 18.00 **Plenary Session** (Boripat Siriaroonrat, Director for Conservation and Research for the Zoological Park Organization)

Threat-based Approaches to Multi-species Planning 1: **Wildlife Health**

- Threat-based approached to multi-species planning, e.g. wildlife health (Phil Miller)
- Interface between “One Health” and species (Boripat Siriaroonrat, Paisin Lekcharoen)
- Disease Risk Assessment process (Richard Jakob-Hoff)
- Questions and discussion

Saturday, 20 October (09.00-18.00) Ballroom A, Anantara Riverside Hotel

9.00 – 10.30 **Plenary Session** (Jim Kao, Taipei Zoo)

Threat-based Approaches to Multi-species Planning 2: **Illegal Wildlife Trade**

- Monitor (Chris Shepherd)
- TRAFFIC Southeast Asia (Kanitha Krishnasamy)
- Otter Specialist Group (Nicole Duplaix)
- Hornbill Specialist Group (Aparajita Datta)
- Questions and discussion

Introduction to additional working group topic(s)

- Supporting the Implementation of CPSG’s Strategic Plan (Brad Andrews, Jo Gipps)
- Ex-situ management of ASAP species (Sonja Luz, Danny de Man, Kathy Traylor-Holzer, Roopali Raghavan)
- Species Conservation Toolkit Initiative Advisory Group (Bob Lacy)

10.30 – 11.00 *Coffee Break available*

10.30 – 13.00 **Working Group Session 2** (Ballrooms A, B, & C)

- Illegal Wildlife Trade as a theme for planning (Chris Shepherd: Convenor; Caroline Lees: CPSG focal point)
- Wildlife Health as a theme for planning/Disease Risk Assessment (Boripat Siriaroonrat: Convenor; Richard Jakob-Hoff: CPSG focal point)

- SCTI Advisory Group Meeting (closed)

13.00 – 14.00 *Lunch (The Market)*

14.00 – 17.00 **Working Groups Session 3** (Ballrooms A, B, & C)

- Investigating patterns of international wildlife trade in ASAP species (Johanna Staerk, Chris Shepherd, Rita da Silva, Ioanna Alexiadou, Dalia A. Conde)
- Ex-situ management of ASAP species (Sonja Luz, Danny de Man, Kathy Traylor-Holzer, Roopali Raghavan)
- Supporting the Implementation of CPSG's Strategic Plan (Brad Andrews, Jo Gipps)

15.00 – 15.30 *Coffee Break available*

17.00 – 18.00 **Plenary Session** (Bob Lacy, Chicago Zoological Society)

Innovative tools and approaches for tackling the challenges of species conservation

- Caroline Lees (CPSG)
- Catherine Grueber (University of Sydney)
- Johanna Staerk (Species360)
- Paul Pearce Kelly (Zoological Society of London)

Sunday, 21 October (09.00-14.00) Ballroom A, Anantara Riverside Hotel

9.00 – 9.30 **Plenary Session**

- CPSG Training Initiative: An update (Jamie Copsey)
- Conservation Genetics Specialist Group update (Catherine Grueber)

9.30 – 11.00 **Working Group Session 4** (Ballrooms A, B, & C)

- Finalize Reports and Presentations
- Parking Lot Meetings
- Informal Networking
- Continuing Working Group Sessions (as requested)

10.30 – 11.00 *Coffee Break available*

11.00 – 12.30 **Plenary Session** (Eric Tsao, Taipei Zoo)

Working Group Report Presentations

12:30 **Announcement of 2019 Annual Meeting** (Dario Lareu, Director General, Fundación Temaikèn)

Closing Remarks

13.00 – 14.00 *Lunch (The Market)*

14.00 – 18.00 Visit to Wat Arun / Temple of the Dawn (details TBD)

18.00 – 21.00 **Closing Ceremony** (with our WAZA Colleagues at Grand Sala, Anantara)

CPSG Annual Meeting Working Group Schedule

Working Group Topic	Friday Session I 14.00-17.00	Saturday Session II 10.30-13.00	Saturday Session III 14.00-17.00	Sunday Session IV 9.30-11.00
Assessing to Plan (A2P): Using the Red List to its best advantage	X			
Planning to Act (P2A) on ASAP species: How do we best support those charged with getting things done? • Group 1: Plan Implementation Coordinators role and support needs • Group 2: Species Champions role and support needs	<i>(meet together)</i>
